MORT & JEANNE WEISS

In 2009, the Festival completed the purchase of the Baca Steinway piano through its 88-Key Fund fundraising effort. We continue to honor the contributions of the original group of individuals and families who supported this important effort.

Today, The Festival has initiated its **BACA PIANO PRESERVATION FUND** to underwrite the care and maintenance of this fabulous instrument. Please consider membership in this important fund and enjoy the recognition that comes with your membership, for years to come, in Festival programs and on this website. Thank you!
